The Summer University experience was a thoroughly enjoyable experience, despite the summer school now being online. I enjoyed meeting a diverse range of people ... and I would recommend it to anyone interested as you still get the opportunity to learn about the country's culture and way of life ...

- Tom, U.K

To put it frankly, the city is extremely welcoming, homey, lively and beautiful. The Danes are some of the most genuine and friendly people I have ever met. Aarhus University is amazing and the city is just beautiful. You'll be wanting to visit as soon as you leave ... I know I sure do!
