About us	<p>Sciences Po Saint-Germain is the youngest school of government in France, founded in 2013 by two leading universities: CY Cergy Paris Université and Université de Versailles-Saint-Quentin-en-Yvelines. As such, our institution brings together an inquiring mindset and the long-established excellence of French higher education.</p> <p>Undergraduate students acquire in-depth knowledge in social science, law, economics, international relations and contemporary history, before specializing in their Master's degree.</p>
Location	<p>Listed for historic preservation purposes, our school buildings house a library, a cafeteria and a gym on a leafy campus.</p> <p>Close at hand, students will find Saint-Germain-en-Laye city center, lively, historic and full of charm, and a large and beautiful forest.</p> <p>The campus is about 30 minutes away from central Paris by public transportation.</p>
